Ε Caddy Cover

#15014

CADDY COVER

This must-have golf accessory protects your golf bag and clubs from the rain. The Caddy Cover is designed specifically for your golf bag. With the Caddy Cover in your golf bag, you never have to worry about wet equipment again.

- Multiple locking section in the shaft allows you to open the Caddy Cover to three different lengths for your personal preference.
- Built in spring on the shaft allows easy access to your clubs while Caddy Cover remains in the bag. Simply bend the Caddy Cover from the top, and remove your club. Umbrella returns to original upright position once released.
- Convenient and packable with a 41" folded length.
- Rubberized handle for easy gripping.
- Durable steel shaft & fiberglass ribs makes umbrella indestructible.
- Lifetime warranty.

ENVIRONMENTALLY FRIENDLY FABRIC:

- Canopy made from recycled plastic
- The fabric is produced by crushing & heating the recycled plastic to make the fibers used to create the fabric

USING RECYCLED PLASTIC ALLOWS US TO:

- Decrease air pollution
- Create a safer non-poisonous high quality product
- Environmentally Friendly Handles
- Composed of 65% shredded wood
- Shredded wood handle will decompose within 2-3 weeks after placing into soil
- Advantages: Using shredded wood decreases the use of Petroleum in the production process
